EPROW IMAGES: A HAVEN FOR INNOVATIVE THINKING FINDS ITS PUBLIC RELATIONS REFUGE AT THE BLAINE GROUP

Beverly Hills, CA... EPROW Images has selected The Blaine Group to be its “safe haven” for marketing communications and public relations.

“EPROW Images, www.eprowimages.com, works virtually with clients who want to strengthen their sixth sense, to move ideas and dreams into reality. As such, its five service offerings, *GAZOOGO*, *STRATEGO*, *OPINEGO*, *SAGITUR*, and *PAPPY*, are ideal for innovators such as entrepreneurs, inventors, artists, photographers and writers,” explained Devon Blaine, President and CEO of The Blaine Group. “It’s a perfect fit with our client base and expertise and, having known EPROW’s founder, Virginia McBride, since we served together on the National Association of Women Business Owners – LA board over 20 years ago, I’m truly pleased that The Blaine Group was selected for this assignment,” she concluded.

EPROW Images has a service for whatever the creative need is. Those who seek clarification will use EPROW’s *GAZOOGO*. *STRATEGO* deals with action plans, *OPINEGO* with filling learning gaps, *SAGITUR* with executing a project. *PAPPY* focuses on pitching a problem, plan, preparation, project or partnership.

EPROW Images clients take charge of their futures, defining the path they want to follow, maintaining full ownership of everything they create.
